# Important Information

## Data Protection

For the purposes of the Data Protection Act 1998, the Data Controller in relation to any personal data **you** supply in connection with this cover is the **insurers**.

## Insurance Administration

Information **you** supply may be used for the purposes of insurance administration by the **insurers**, their associated companies and agents, by re-insurers and **your** intermediary. It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing the **insurers** compliance with any regulatory rules/codes. **Your** information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. If you give us information about another person, in doing so you confirm that they have given you permission to provide it to us and for us to be able to process their personal data (including any sensitive personal data) and that you have told them who we are and what we will use their data for as set out in this notice. In assessing any claims made, the **insurers** or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossessions). Information may also be shared with other insurers either directly or via those acting for the **insurers** (such as loss adjusters or investigators).

With limited exceptions, and on payment of the appropriate fee, **you** have the right to access and if necessary rectify information held about **you**.

## Credit Searches and Accounting

In assessing **your** application, to prevent fraud, check your identity and to maintain policy records, the **insurers** may search files made available to them by credit reference agencies who may keep a record of that search. The **insurers** may also pass to credit reference agencies information they hold about **you** and **your** payment record. Credit reference agencies share information with other organisations enabling applications for financial products to be assessed or to assist the tracing of debtors or to prevent fraud.

The **insurers** may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by the **insurers**, acceptance or rejection of **your** application will not depend only on the results of the credit scoring process.

## Sensitive Data

In order to assess the terms of the insurance contract or administer claims which arise, the **insurers** may need to collect data which the Data Protection Act defines as sensitive (such as criminal convictions). By proceeding with this contract **you** will signify **your** consent to such information being processed by the **insurers** or their agents.

## Fraud Prevention and Detection

In order to prevent and detect fraud the **insurers** may at any time:

- Share information about **you** with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file **your** details with fraud prevention agencies and databases, and if **you** give **us** false or inaccurate information and fraud is suspected, it will be recorded.

**Insurers** and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of **insurance**, credit and related services for **you** and members of **your** household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **your** accounts or insurance policies;
- Check **your** identity to prevent money laundering, unless **you** furnish **us** with other satisfactory proof of identity;
- Undertake credit searches and additional fraud searches.

**We** can supply on request further details of the databases **insurers** access or contribute to.

This document can be legally binding in certain countries and **you** should not sign anything **you** do not understand.

**You** must report the **incident** to **us** immediately.

In Spain **you** need special cover, known as a bail bond and this is printed on page 2 of **your certificate of motor insurance**. This bail bond is usually enough to prevent **your vehicle** being impounded in Spain after an **incident**.

## Section 8 – Damage to Your Vehicle (continued)

### How we will settle your claim

We will at our option repair your vehicle, replace your vehicle or pay you an amount of cash.

#### What we will pay

If your vehicle was first registered in the UK from new, the most that we will pay is the market value of your vehicle unless the value has been agreed. If this is the case an agreed value endorsement will be shown on your schedule and we will pay the amount shown against it.

If your vehicle was first registered outside of the UK and we have agreed cover, the most we will pay will be the amount shown on the purchase receipt including accessories and spare parts or the market value of the nearest UK equivalent, whichever is lower.

#### Salvage

If your vehicle is so badly damaged that the cost to repair it will be more than or equal to the market value (or agreed value if stated on your schedule) then at your option we will either:

- Pay you an amount of cash equal to the market value (or agreed value) and the salvage will become our property; or
- Pay you an amount of cash equal to 70% of the market value (or agreed value) and the salvage will remain your property provided that this is allowed under current legislation governing motor vehicle salvage.

If you choose to retain the salvage, we do reserve the right not to continue covering your vehicle.

#### New Car Replacement

If your vehicle is a private motor car, is less than 12 months old, was registered as new in the UK and you have been the first and only keeper then we will, subject to availability, replace it with one of the same make, model and specification if:

- The cost to repair it is more than 60% of the last UK list price (including accessories and spare parts, road tax and VAT) at the time you bought the car
- There is no agreed value endorsement shown on your schedule
- Your vehicle is not subject to a leasing or contract hire agreement
- Any interested parties such as a hire purchase company agree.

If a replacement car is not available in the UK the most we will pay is the market value of your car immediately prior to the incident. Once we have made this payment or provided you with a replacement car your damaged car will become our property.

#### Excess

The amount that you contribute towards each and every claim is shown on your schedule.

If your vehicle is damaged whilst a young or inexperienced person (including you) is in charge of it you will have to pay the following in addition to the amount of excess shown on your schedule:

Drivers aged under 21 years of age	£250
Drivers aged 21 to 24 years of age	£150
Drivers of any age that have not held a full UK driving licence for more than 12 months (in addition to age excess where applicable)	£250

If two or more vehicles shown on your schedule are involved in the same incident then the lowest excess will be waived.

#### Motor Trade, Valet or Chauffeur

If your vehicle is being driven by a member of the motor trade, a valet as part of a valet parking service or a chauffeur provided by us under Section 24 (European Breakdown Cover) then we will not apply an excess.

#### Uninsured Driver

If your vehicle is involved in an incident that results in a collision with an uninsured driver and you make a claim under this section, where we consider that we would have recovered our losses had the other party been insured your no claim bonus will not be affected. We will also waive your excess.

#### No Blame Bonus

If your vehicle is involved in an incident where there is not a third party involved and we consider that you are not at fault, your no claim bonus will not be affected.

If **we** suspect that **your vehicle** will be declared a total loss, **we** will take **your vehicle** to a place where it can be stored until it can be assessed by a motor engineer.

During transportation and storage **we** will endeavour to make sure that the registration plates are covered or removed to protect **your** identity.

### Temporary Substitutions of Your Vehicle

If **your vehicle** cannot be used because it is being serviced or repaired by a member of the motor trade, this **policy** automatically covers any loss or damage caused by fire, theft or attempted theft that may occur whilst **you** are using a substitute vehicle loaned to **you** by a member of the motor trade whilst they are in control of **your vehicle**. It must be of the same or lesser **vehicle specification** as **your vehicle** and must be used in accordance with the **certificate of motor insurance** and the other terms and conditions of this **policy**.

## Section 9 – Loss or Damage to Your Vehicle by Fire or Theft (continued)

### How we will settle your claim

#### What we will pay

If **your vehicle** was first registered in the **UK** from new, the most that **we** will pay is the **market value** of **your vehicle** unless the value has been agreed. If this is the case an **agreed value endorsement** will be shown on **your schedule** and **we** will pay the amount shown against it.

If **your vehicle** was first registered outside of the **UK** and **we** have agreed cover, the most **we** will pay will be the amount shown on the purchase receipt or the **market value** of the nearest **UK** equivalent, whichever is lesser.

#### Salvage

If **your vehicle** is so badly damaged by fire, theft or attempted theft that the cost to repair it will be more than or equal to the **market value** (or **agreed value** if stated on **your schedule**) then at **your** option **we** will either:

- Pay **you** an amount of cash equal to the **market value** (or **agreed value**) and the salvage will become **our** property; or
- Pay **you** an amount of cash equal to 70% of the **market value** (or **agreed value**) and the salvage will remain **your** property provided that this is allowed under current legislation governing motor vehicle salvage.

If **you** choose to retain the salvage, **we** do reserve the right not to continue covering **your vehicle**.

### New Car Replacement

If **your vehicle** is a private motor car, is less than 12 months old, was registered as new in the **UK** and **you** have been the first and only keeper then **we** will, subject to availability, replace it with one of the same make, model and specification if:

- The cost to repair it is more than 60% of the last **UK** list price (including **accessories and spare parts**, road tax and VAT) at the time **you** bought the car;
- The car has been stolen and not recovered within 30 days of **you** reporting the theft to **us**;
- There is not an **agreed value endorsement** shown on **your schedule**;
- The car is not subject to a leasing or contract hire agreement;
- Any interested parties such as a hire purchase company agree.

If a replacement car is not available in the **UK** the most **we** will pay is the **market value** of **your** car immediately prior to the **incident**. Once **we** have made this payment or provided **you** with a replacement car **your** damaged car will become **our** property.

### Excess

The amount that **you** contribute towards each and every claim is shown on **your schedule**. In the event that **your vehicle** is declared a total loss then **you** will not have to pay an **excess**. ## 1. We will only provide cover under this policy if:

- a) You pay the premium in full or any premium instalment when it is due.
- b) You notify us of any accident or incident that may result in a claim as soon as reasonably possible, and shall with reasonable speed, provide such information that we require.
- c) Any person claiming has met all the conditions as far as they apply
- d) The declaration and information given in the application or statement of facts on which this policy is based is complete and accurate.

## 2. Compulsory insurance

If the law of any country in which this policy covers you says we must pay a claim which we would otherwise not have paid, then we are entitled to recover such payments from you.

## 3. Reflection period

You may cancel this policy within 14 days of the date you receive it or within 14 days of the start date whichever is later. You can do this by returning the certificate of motor insurance to Home and Legacy at 500 Avebury Boulevard, Milton Keynes, Bucks, MK9 2LA or to your insurance intermediary. If you choose to cancel the policy, you will be entitled to refund of the premium paid except where an incident has occurred during the period of cover we have provided which may give rise to a claim, in which case the full annual premium may be payable to us.

## 4. Cancelling this policy (outside of the Reflection Period)

We or your insurance intermediary may cancel this policy by giving you seven days notice in writing, sent by Recorded Delivery to your last known address. If this happens we will return a proportional part of the premium you have paid for any unused part of this insurance.

You may cancel this policy by returning the current certificate of motor insurance to us. If you cancel this policy, as long as you have not made a claim we will refund the part of the premium you have not yet used after deducting the commission that we have earned for our professional advice and services

## 5. Arbitration

If we accept your claim but you do not agree with the amount we will pay you, we will refer the matter to an arbitrator chosen by you and us. You cannot take any action against us until you and we have received the arbitrator's final decision.

## 6. Reasonable precautions

You must take all reasonable precautions to protect your vehicle from loss and damage and to keep it in a good roadworthy condition. You must let one of our authorised representatives inspect your vehicle at any reasonable time.

## 7. Fraud

If you or anyone acting on your behalf make any false or fraudulent claim or supports a claim by false or fraudulent document, device or statement, this policy shall be void and you will forfeit all rights under this policy. In such circumstances, we retain the right to keep the premium and to recover any sums paid by way of benefit under this policy.

- h. If **you** or any driver covered under this **policy** change occupation including any part-time work

This is not a complete list and **you** should contact **your** insurance intermediary if **you** are unsure whether a change of circumstances may affect this **policy**. When **you** tell **us** of a change of details **we** will reassess the premium and terms of this **policy** and **you** will be informed of any revised premium or terms and asked to agree before any change is made. To reduce costs **we** will not make small refunds or charge small additional premiums under £15.00 for the period from the date of the change to the renewal date of this **policy**. In some circumstances **we** may not be able to continue this **policy** following the changes, where this happens **you** will be told and this **policy** will be cancelled in line with the provisions of General Condition 4.

### 11. Rights of Third Parties

A person or company who was not a party to this **policy** has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this **policy** but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

### 12. Automatic Renewal

If **you** pay **your** premium by the Home and Legacy Premium Instalment Plan **we** will automatically renew this **policy**. This saves **you** the worry of remembering to contact **us** prior to the renewal date. **We** will write to **you** before this **policy** expires with full details of next year's premium and terms. **We** will also issue **you** with a new **certificate of motor insurance**. If **you** do not want to renew this **policy**, simply return the **certificate of motor insurance** issued with **your** renewal notice to **your** insurance intermediary with clear instruction that **you** do not wish to renew.

If the **certificate of motor insurance** is returned after the renewal date, this **policy** will be cancelled in line with the provisions of General Condition 4.

If **we** decide not to renew this **policy** **we** will notify **you** in writing prior to the renewal date.

### 13. Dual Insurance

If there is another insurance in force covering the same loss, damage or liability as this insurance, **we** will only pay any amount above that provided by the other insurance. This condition does not make **us** responsible for any amount **we** would not otherwise have paid under any section of this **policy**. **We** reserve the right to claim back any costs that are recoverable from a third party.

### 14. Reasonable Care

**You** must take all reasonable steps to keep **your vehicle** in a roadworthy condition at all times and protect it from loss or damage. **You** must lock and secure **your vehicle** when **you** leave it, keep **your** keys safe and leave **your** personal items in the boot when it is not in use. **We** can examine **your vehicle** at any reasonable time.

### 15. Assignment

This insurance does not give rights to any person other than **you** unless **we** say differently elsewhere in this document.

### 16. Abandonment

**You** cannot abandon property to **us** or a third party without **our** prior written consent.

## General Policy Conditions (continued)

### 17. Claims Procedure

- After any **incident** that could lead to a claim being made against this **policy**, **you** must tell **us** immediately by calling the **Home & Legacy Helpline**. If the **incident** involves theft, attempted theft or vandalism **you** must also report this to the Police as soon as the **incident** is discovered.
- After an accident **you** must take all reasonable precautions to protect **your vehicle** and its **accessories and spare parts**. **You** must contact **us** so that **we** can arrange to collect **your vehicle** and take it to the agreed repairer. **We** will not pay for any further damage that **you** cause through trying to drive **your vehicle**. If **we** recommend an approved repairer to **you** there is no need to get an estimate for the work but if **your** own chosen repairer is used then **you** must send **us** an estimate. **We** will at **our** option choose to inspect **your vehicle** before repairs are authorised. **We** will not be responsible for the cost of any work carried out or parts used without **our** authorisation. If **we** think that the estimate is unreasonable **we** may choose to negotiate a lower estimate, pay **you** the cash equivalent of the price **we** consider reasonable or move **your vehicle** to another repairer. **We** have the right to move **your vehicle** to a place of safe storage without asking **you** first.
- **You** must send **us** any letters, writs, claim forms or summons as soon as **you** receive them. Do not answer any letters, send them straight to **us**. **You** must tell **us** if **you** know about any prosecutions or notice of intent to prosecute anyone covered by this insurance. If **you** have an accident **you** must not admit to anyone else that it was **your** fault or negotiate or refuse any claim unless **you** have **our** permission.
- **You** must not pay or offer or agree to pay money or admit liability or settle any claim without **our** permission. **We** can in **your** name take over and defend or settle a claim and/or take proceedings at **our** own expense and benefit to recover any payment **we** have made under this **policy**.
- **You** must co-operate with **us** at all times.
