Important Information

Data Protection

For the purposes of the Data Protection Act 1998, the Data Controller in relation to any personal data **you** supply in connection with this cover is the **insurers**.

Insurance Administration

Information **you** supply may be used for the purposes of insurance administration by the **insurers**, their associated companies and agents, by re-insurers and **your** intermediary. It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing the **insurers** compliance with any regulatory rules/codes. **Your** information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. If you give us information about another person, in doing so you confirm that they have given you permission to provide it to us and for us to be able to process their personal data (including any sensitive personal data) and that you have told them who we are and what we will use their data for as set out in this notice. In assessing any claims made, the **insurers** or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossessions). Information may also be shared with other insurers either directly or via those acting for the **insurers** (such as loss adjusters or investigators).

With limited exceptions, and on payment of the appropriate fee, **you** have the right to access and if necessary rectify information held about **you**.

Credit Searches and Accounting

In assessing **your** application, to prevent fraud, check your identity and to maintain policy records, the **insurers** may search files made available to them by credit reference agencies who may keep a record of that search. The **insurers** may also pass to credit reference agencies information they hold about **you** and **your** payment record. Credit reference agencies share information with other organisations enabling applications for financial products to be assessed or to assist the tracing of debtors or to prevent fraud.

The **insurers** may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by the **insurers**, acceptance or rejection of **your** application will not depend only on the results of the credit scoring process.

Sensitive Data

In order to assess the terms of the insurance contract or administer claims which arise, the **insurers** may need to collect data which the Data Protection Act defines as sensitive (such as criminal convictions). By proceeding with this contract **you** will signify **your** consent to such information being processed by the **insurers** or their agents.

Fraud Prevention and Detection

In order to prevent and detect fraud the **insurers** may at any time:

- Share information about **you** with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file **your** details with fraud prevention agencies and databases, and if **you** give **us** false or inaccurate information and fraud is suspected, it will be recorded.

Insurers and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of **insurance**, credit and related services for **you** and members of **your** household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **your** accounts or insurance policies;
- Check **your** identity to prevent money laundering, unless **you** furnish **us** with other satisfactory proof of identity;
- Undertake credit searches and additional fraud searches.

We can supply on request further details of the databases **insurers** access or contribute to.

Section 8 – Damage to Your Vehicle (continued)

How we will settle your claim

We will at **our** option repair **your vehicle**, replace **your vehicle** or pay **you** an amount of cash.

What we will pay

If **your vehicle** was first registered in the **UK** from new, the most that **we** will pay is the **market value** of **your vehicle** unless the value has been agreed. If this is the case an **agreed value endorsement** will be shown on **your schedule** and **we** will pay the amount shown against it.

If **your vehicle** was first registered outside of the **UK** and **we** have agreed cover, the most **we** will pay will be the amount shown on the purchase receipt including **accessories and spare parts** or the **market value** of the nearest **UK** equivalent, whichever is lower.

Salvage

If **your vehicle** is so badly damaged that the cost to repair it will be more than or equal to the **market value** (or **agreed value** if stated on **your schedule**) then at **your** option **we** will either:

- Pay **you** an amount of cash equal to the **market value** (or **agreed value**) and the salvage will become **our** property; or
- Pay **you** an amount of cash equal to 70% of the **market value** (or **agreed value**) and the salvage will remain **your** property provided that this is allowed under current legislation governing motor vehicle salvage.

If **you** choose to retain the salvage, **we** do reserve the right not to continue covering **your vehicle**.

New Car Replacement

If **your vehicle** is a private motor car, is less than 12 months old, was registered as new in the **UK** and **you** have been the first and only keeper then **we** will, subject to availability, replace it with one of the same make, model and specification if:

- The cost to repair it is more than 60% of the last **UK** list price (including **accessories and spare parts**, road tax and VAT) at the time **you** bought the car
- There is no **agreed value endorsement** shown on **your schedule**
- **Your vehicle** is not subject to a leasing or contract hire agreement
- Any interested parties such as a hire purchase company agree.

If a replacement car is not available in the **UK** the most **we** will pay is the **market value** of **your** car immediately prior to the **incident**. Once **we** have made this payment or provided **you** with a replacement car **your** damaged car will become **our** property.

Excess

The amount that **you** contribute towards each and every claim is shown on **your schedule**.

If **your vehicle** is damaged whilst a young or **inexperienced** person (including **you**) is in charge of it **you** will have to pay the following in addition to the amount of **excess** shown on **your schedule**:

If **your vehicle** is being driven by a member of the motor trade, a valet as part of a valet parking service or a chauffeur provided by **us** under Section 24 (European Breakdown Cover) then **we** will not apply an **excess**.

Uninsured Driver

If **your vehicle** is involved in an **incident** that results in a collision with an uninsured **driver** and **you** make a claim under this section, where **we** consider that **we** would have recovered **our** losses had the other party been insured **your** no claim bonus will not be affected.

No Blame Bonus

If **your vehicle** is involved in an **incident** where there is not a third party involved and **we** consider that **you** are not at fault, **your** no claim bonus will not be affected.

There is no cover if the damage is more specifically covered elsewhere in this **policy**.

Vehicle Transportation

Following a validated **incident** **we** will pay the reasonable cost of transporting **your vehicle** to be repaired and bringing it back to **you** when repairs are complete. If **we** suspect that **your vehicle** will be declared a total loss, **we** will take **your vehicle** to a place where it can be stored until it can be assessed by a motor engineer.

During transportation and storage **we** will endeavour to make sure that the registration plates are covered or removed to protect **your** identity.

Temporary Substitutions of Your Vehicle

If **your vehicle** cannot be used because it is being serviced or repaired by a member of the motor trade, this **policy** automatically covers any loss or damage caused by fire, theft or attempted theft that may occur whilst **you** are using a substitute vehicle loaned to **you** by a member of the motor trade whilst they are in control of **your vehicle**. It must be of the same or lesser **vehicle specification** as **your vehicle** and must be used in accordance with the **certificate of motor insurance** and the other terms and conditions of this **policy**.

What we will pay

If **your vehicle** was first registered in the **UK** from new, the most that **we** will pay is the **market value** of **your vehicle** unless the value has been agreed. If this is the case an **agreed value endorsement** will be shown on **your schedule** and **we** will pay the amount shown against it.

If **your vehicle** was first registered outside of the **UK** and **we** have agreed cover, the most **we** will pay will be the amount shown on the purchase receipt or the **market value** of the nearest **UK** equivalent, whichever is lesser.

If **your vehicle** is so badly damaged by fire, theft or attempted theft that the cost to repair it will be more than or equal to the **market value** (or **agreed value** if stated on **your schedule**) then at **your** option **we** will either:

17. Claims Procedure

- After any **incident** that could lead to a claim being made against this **policy**, **you** must tell **us** immediately by calling the **Home & Legacy Helpline**. If the **incident** involves theft, attempted theft or vandalism **you** must also report this to the Police as soon as the **incident** is discovered.
- After an accident **you** must take all reasonable precautions to protect **your vehicle** and its **accessories and spare parts**. **You** must contact **us** so that **we** can arrange to collect **your vehicle** and take it to the agreed repairer. **We** will not pay for any further damage that **you** cause through trying to drive **your vehicle**. If **we** recommend an approved repairer to **you** there is no need to get an estimate for the work but if **your** own chosen repairer is used then **you** must send **us** an estimate. **We** will at **our** option choose to inspect **your vehicle** before repairs are authorised. **We** will not be responsible for the cost of any work carried out or parts used without **our** authorisation. If **we** think that the estimate is unreasonable **we** may choose to negotiate a lower estimate, pay **you** the cash equivalent of the price **we** consider reasonable or move **your vehicle** to another repairer. **We** have the right to move **your vehicle** to a place of safe storage without asking **you** first.
- **You** must send **us** any letters, writs, claim forms or summons as soon as **you** receive them. Do not answer any letters, send them straight to **us**. **You** must tell **us** if **you** know about any prosecutions or notice of intent to prosecute anyone covered by this insurance. If **you** have an accident **you** must not admit to anyone else that it was **your** fault or negotiate or refuse any claim unless **you** have **our** permission.
- **You** must not pay or offer or agree to pay money or admit liability or settle any claim without **our** permission. **We** can in **your** name take over and defend or settle a claim and/or take proceedings at **our** own expense and benefit to recover any payment **we** have made under this **policy**.
- **You** must co-operate with **us** at all times.
