

Landlord Household Insurance – Policy Summary

This is a Policy Summary only and does not contain the full terms and conditions of the contract. It does not form part of the contract between you and us. Full terms can be found in the Policy Wording, a copy of which is available on request. If you take out a policy with us you will receive a full policy wording as part of your policy documents.

How long does the cover last?

The policy lasts for 12 months.

What type of cover is provided?

The policy is a home insurance contract for private individuals who are letting their main home and individuals or businesses that own and let one or more investment properties. The types of cover available are buildings and contents.

You can buy buildings and contents insurance separately or you can take them out together. With both sections you have the option to include the additional benefit of accidental damage, including accidental damage by tenants, where considered to be insurable.

Contents insurance can be tailored to individual requirements and is available to provide limited contents cover for properties let on an unfurnished basis, to cover carpets, curtains and domestic appliances, or general contents cover for properties that are being let part or fully furnished. Cover is also available, if required, to cover contents of common areas.

One policy wording covers both sections of this policy.

The key information about each section of the cover available is set out under the respective headings below. This includes the most significant and unusual exclusions or limitations to the cover and where to find them in the full policy wording. There may be other exclusions or limitations that are significant to you so it is important that you read the full policy wording. A copy is available from us, or your insurance intermediary on request.

Endorsements that vary the terms and conditions of the insurance may also apply to your policy. If you take out a policy with us your policy schedule will show any endorsements that apply.

Unoccupied properties

Full cover will continue if your property is left unoccupied for up to thirty (30) consecutive days but the policy excludes certain losses or damage if no-one is living at the property for more than thirty (30) consecutive days. If this applies to you, for example when the property is vacant between lets you will not be covered for theft, malicious damage or breakage of glass or sanitary fittings.

This applies under both the buildings and the contents sections.

On what basis are claims settled?

We will pay to replace property or belongings lost or destroyed and we will pay to repair damaged items.

We will make a deduction for wear and tear for claims on household linen and carpets over one (1) year old.

We will pay for the damaged items that are part of a set or suite but we will not pay for the other pieces which are not damaged.

This is not a maintenance contract. This means that wear and tear or anything that happens gradually, for example the roof of your property needing to be re-tiled over time, is not covered.

How do I make a claim?

Please contact your intermediary who will then notify Home and Legacy. Alternatively please call Home and Legacy on 0844 893 8360. Full details of how to claim are stated in the policy wording under - how to make a claim.
